**RUST-OLEUM®**

SPECIALTY

**DRY  
ERASE**

Writeable-Erasable Finish

This new patented **Rust-Oleum technology** is not offered by competition. Be on the leading edge of new product innovation by adding this item to your set.

Give your customers the ability to create a unique writeable-erasable surface in any room! Best of all they can customize their dry erase surface to be a unique shape or in a unique place in their home.

- Exclusive, patented Rust-Oleum technology
- Easy-to-use 2 part water based system - rolls on just like regular paint with minimal odor
- 7' x 7' square foot coverage per kit!
- Ideal for drywall, metal, masonite, cement, wood and more
- Compatible with any dry erase markers and erasers

From Chalkboard to Magnetic and now Dry Erase, Rust-Oleum continues to provide your customers with creative and unique solutions for household applications.
